C.J. Spiller Football and Life Skills Camp

What Every Parent Needs to Know

Location

The C.J. Spiller Football and Life Skills Camp takes place on Clemson University's campus, in beautiful Upstate South Carolina.

How to Contact Director

For emergencies, call: Nic Pangborn at (310) 228-7359. Campers are not allowed to use mobile phones during program hours so as to assist them in making the most of their campus experience. Should your camper need to contact you during the week for special circumstances; the camp staff will assist them accordingly.

Facilities

C.J. Spiller Football and Life Skills Camp campers will reside in a single-sex residence hall. The residence halls are air-conditioned. Campers access their hall and room by using a swipe card. Each hall and/or outer door is card access protected. Campers are asked to lock their door when leaving the room and when sleeping. Clemson University and C.J. Spiller Football and Life Skills Camp do not assume responsibility for any items lost or stolen. Campers and parents/guardians will be asked to read and sign the "Housing Release of Liability" form before arriving.

Residence Hall Group Assignments

Residence hall groups are assigned according to sex and age. If you have someone with which you want to room, please make this request on the Camper Information Form, but please know roommates are not guaranteed.

Arrival and Departure

Please see the "Arrival and Departure Procedures" document

Expectations of Campers

C.J. Spiller Football and Life Skills Camp is recommended for responsible middle school students that want to learn more about football and all of the responsibilities that are associated with being an athlete. While we recognize that this age student is not a college freshman, we do expect students to exhibit self-control and portray excellent character. Campers who continue to display problem behavior will be asked to withdraw from the program **without a refund**. No camper will be allowed to leave the campus without the permission of their parent/guardian and the Director of C.J. Spiller Football and Life Skills Camp.

Staff

The ratio of campers to counselor staff is 10 to 1 during the day and 8 to 1 at night. Campers receive a high amount of small group interaction and personal attention from camp staff and instructors. Counselors have been chosen for their dedication and their ability to work with young people. They are chosen on the basis of a thorough interview process, reference check, athletic/academic achievements and prowess, maturity, energy and skill level. They undergo extensive pre-camp training before assignment as counselors. Counselors supervise campers 24 hours per day, live in the residence halls and are dedicated to the program. They accompany the campers to class, on field trips and social events. Counselors are assigned activity groups during the day and residence hall groups during the evening and nighttime. They are responsible for ensuring that students are aware of and comply with the expectations set before them.

Health Care

All campers must submit a "Medical Statement" form to be admitted to the program. This form verifies that a camper has had a recent annual physical. Sports physicals will be accepted.

Staff certified in First Aid and CPR will be present at camp 24 hours each day. The on-campus Redfern Health Center is available during weekday business hours, with Urgent Care in Clemson available through late evening. A full-service hospital is available within a 15-minute drive of campus.

All medications must be given to the health officer upon arrival at camp. The health officer will be responsible for properly administering the medicine on a daily basis as directed by a physician or parent. All prescription drugs are kept under lock and key. (Exceptions may be made for inhalers or Epi-pens.) All campers are screened upon arrival at camp for good health prior to admission. We ask that no camper come to camp ill or with any contagious condition. We reserve the right to send your camper home if they become ill, develop any contagious condition (such as pink eye, or head lice,) or if they are unable to participate in the major activities of camp. If your camper cannot remain at camp due to health reasons you will NOT receive a refund of camp fees. Each camp has limited medical insurance on every camper for accidents and illnesses that occur at camp. Pre-existing illness and eyeglass/contact replacement are not covered. Camp is not responsible for eyeglasses or contacts that are lost or broken at camp.

Weather & Physical Conditions

The weather in Clemson can vary (sometimes very hot, sometimes cool) in the spring/summer. Daily temperatures can be between 60 – 90 degrees and humid. Nights can also be very humid with temperatures in the 60-70's. Campers should bring appropriate clothing for warm and cool weather. **Please pack a refillable water bottle!**

What to Bring

Packing Advice - What should I bring? What should I leave home? Recommended items are listed below. Please pack light, as we will be walking across campus on Sunday with our gear to the indoor practice facility. You do not have to bring everything in your closet or room! We recommend that campers bring only one suitcase and one bedroll. If possible, mark clothes with your name, as we will not be responsible for lost clothing or other personal items. You should be prepared to carry or wheel your luggage, and should not bring more than you can carry. If you are flying to Greenville, be sure to check the Transportation Security Administration (TSA) guidelines. Since most airlines are charging for extra bags, you will have to pack wisely!

Campers need to bring their own linen

- Sheets/blanket or sleeping bag (extra long single bed sheets to fit the residence hall mattresses)
- Pillow
- Towels/washcloths

- Personal fan for your room (while rooms are air conditioned, you might want a fan.)

ABSOLUTELY NO FIREWORKS, ALCOHOL, TOBACCO PRODUCTS, OR WEAPONS ARE PERMITTED!

Mobile Phones

Although we do not forbid cell phones at camp, we do limit use. If a camper needs to bring his or her cell phone to camp, we will ask that they **refrain from using it during all activities** unless required in the course. They will be allowed to use it during unstructured free time for “checking in” with parents or emergencies. If a camper is found viewing any inappropriate content on their phone, we will confiscate it and return it to them at the conclusion of camp.

Electronics

Electronic devices of any kind (other than cameras) may be used only during unstructured free time, rest periods, and/or before bed. They may not leave the dorm unless required in the course.

Additional money

Many students enjoy purchasing Clemson University souvenirs. It is at your discretion on the exact amount to send with them.

Homesickness

Parents can help their camper adjust to camp by letting them know that they expect them to have fun, meet new friends, and learn many new things. Our staff works hard to help campers adjust to camp by making sure they are involved in team building and fun activities. If an emergency situation arises at home, we ask that you contact the camp director.
